Acceptance of this Application by one of the member companies of Aggregate Industries Mid Atlantic, a/k/a Bardon, Inc. ("Aggregate") shall permit the Applicant to make credit purchases with all member companies unless notice is given to the contrary. Neither the acceptance of this Application nor the sale of materials by a member company shall make the other member companies of Aggregate party to the sales transaction or in privity with the purchaser or guarantors.

TERMS AND APPLICATION FOR CREDIT: The above-named Applicant, its successors, subsidiaries, assigns, and/or trustees, hereby applies for credit and, in consideration, agrees that the terms are NET 30 DAYS, with interest at one and one-half percent (1.5%) per month on all accounts past due 30 days. In the event of default, the Applicant and/or the Guarantors shall pay all amounts due irrespective of any credit limit, and shall pay all equipment, labor and administrative costs arising from default and all costs of collection, including but not limited to, court costs, private process and service fees, expert witness fees, discovery expenses, and attorney's fees of 25%. The Applicant agrees to provide information about each job on which purchased materials are used, including but not limited to, the location, owner, general contractor, and bond information. The Applicant authorizes Aggregate to obtain any and all information it deems necessary from or concerning any and all sources or references listed on this Credit Application, any subsidiaries, affiliates, predecessor companies, officers, directors and principals of the Applicant; and from any other credit bureaus, creditors of the Applicant, trade references, banks or other financial institutions in order to assist Aggregate in its consideration of this Credit Application. Applicant agrees to notify Aggregate's Quality Control and Credit Departments, in writing, by certified mail, within five (5) days of the original purchase date, of any product disputes and non-performance claims regarding the material's failure to meet any oral or written warranty provisions or bid specifications and hereby waives any right to claim or dispute any offsets, back charges, or non-performance claims if the claim is not made within the five (5) day time limit. In no event shall any claim against Aggregate exceed the amount of the invoice(s) in question. The Applicant also agrees to hereby constitute and appoint any attorney licensed to practice law in the State of Maryland with full power of substitution as its true and lawful attorney-in-fact for it in its name, place and stead, to acknowledge and accept service of process in furtherance of suit brought for the collection of any obligation and to confess judgment in any Court that may have jurisdiction, upon such obligation in default, including costs and fees as set forth above, waiving set-off and recoupment. The Applicant hereby certifies that all information contained in this Credit Application is true, accurate, and complete and if any of the provided information is not a true, accurate and complete statement, Aggregate may immediately terminate this Credit Application or refuse to accept this Application, as the case may be. Notwithstanding the foregoing, the Applicant agrees that Aggregate in its sole discretion shall have the authority to terminate this Credit Application, at any time, with or without cause. The Applicant shall promptly notify Aggregate of any changes in the information contained in this Credit Application. The above are only terms and conditions of sale and credit and cannot be verbally changed by any employee of a member company or superseded by any purchase document issued by the Applicant, even if the material is shipped on that purchase document.
