

# SEALERS & PROTECTIVE COATINGS

## SEALERS & PROTECTIVE COATINGS

### INCRETE SYSTEMS Clear Seal (Solvent Based)

INCRETE SYSTEMS' *Clear Seal* is a pure acrylic crystal clear, non-yellowing sealer. *Clear Seal* can be used to seal any Increte System, and is excellent for use on all other masonry surfaces. The solvents incorporated into the *Clear-Seal* formula offer excellent penetration and a breathable film that allows moisture in hardened concrete to evaporate.

*Clear-Seal* is recommended for both interior and exterior surfaces, whenever outstanding abrasion resistance is desired.

- ✓ Seals & Protects
- ✓ Beautifies & Enhances Decorative Surfaces
- ✓ UV & Weather Resistant
- ✓ Improved Wear Resistance
- ✓ Non-Yellowing & Breathable
