Texture-Crete Textured Overlay System is a durable, skid-resistant cover-up that transforms plain gray concrete into beautiful textured surfaces, and at a fraction of the cost to replace existing concrete. Cool to the touch, Texture-Crete is the ideal solution for resurfacing pool decks, spas, and patios, and because Texture-Crete is stronger than conventional concrete, it provides a long-lasting, stain-resistant, and easy to clean surface for driveways, walkways and other high traffic areas.
